Great performers reward an appreciative audience with an encore. As one of our community's great corporate performers, you can reward your employees, clients and community with many encores to come at the spectacular

Stefanie H. Weill Center for the Performing Arts.

The Encore Corporate Ticket Program allows you to encourage your employees to attend Weill Center programs at a “buy one---get one free” price. In addition, the Weill Center makes it an exceptionally easy benefits program for you to administer.

The Weill Center's Encore Corporate Ticket Program offers you and your company unique and creative ways to reward employees, entertain clients, and generate recognition:

- Enhance relationships by offering an innovative cultural employee benefit.
- Support a vibrant and diverse group of local performing arts organizations.
- Demonstrate your recognized leadership and dedication to our community.

Here Is How It Works

As the business owner or manager; you can choose a limit for your company's expenditure, starting at a minimum of \$500. There are no upfront costs, no risks. The Weill Center Ticket Office Manager will work with you and/or your Human Resource representative to develop your program and provide the assistance needed to make your employees aware of the program and the upcoming shows.

Once the program is established, your employees can purchase one ticket and receive one ticket at no additional cost. Once a month, the Weill Center will bill your business for the amount of “FREE” tickets given to your employees during that time period. If you defined a limit at the start-up and that limit is reached, we will notify you. At that time, you may choose to either stop the Encore benefit program, or extend it by increasing the limit.

Additional Details

- Employees are required to give their employee number or some other identifying code to obtain their “FREE” ticket.
- Only one “FREE” ticket allowed per employee, per show.
- To help you in promoting this benefit to your employees, Weill Center staff could provide assistance with program details for your intranet system and/or give you printed materials – flyers, table tents, posters – for your break rooms and bulletin boards.

Through your generosity, you help make it possible for your employees to attend live performances of exceptional caliber while supporting one of the premier arts facilities in the region.
